Candidates for the BEd program are advised to consult the current admissions requirements for more information on “teachables.”

d. *Note on Credit for Professional Courses*

Third and fourth-year arts students may be given academic credit for professional courses not ordinarily considered part of the liberal arts or science curriculum; credit will be given for a maximum of 18 credit hours in professional courses.

Applicants for such credit must obtain the consent of the Department in which they are taking their Major or Honours program, of the Registrar and of the committee on admissions and academic standing. These professional courses cannot be counted among the courses satisfying the minimum number required for Majors or Honours.

e. *Grade Point Average Required for Graduation*

In addition to completing all the course requirements, candidates for graduation must earn an annual grade point average of at least 2.0 in their graduation year. A candidate whose annual grade point average is below 2.0 must take additional courses as determined by the Registrar’s Office and achieve such standing in them as the Registrar’s Office may determine in order to graduate. For information on calculating grade point averages, see Section Five, Part C – Evaluation and Grading.

f. *Distinction*

The recognition of “distinction” is awarded to graduates in the Bachelor of Arts and Bachelor of Applied Arts degree programs who attain a combined average of 3.7 over their last two academic years (60 credit hours) of their program.

Honours BA Degree Requirements

The Honours BA program is designed for students with a high level of ability who seek a more challenging and more specialized course of studies within the Arts program. Typically, an Honours program includes a greater number of courses in a student’s chosen subject area, and certain advanced-level courses. In most departments, an Honours thesis is required. An Honours degree is commonly required for admission to master’s programs at other institutions.

Certificate of Honours Standing

The certificate of Honours standing has been established to provide a means of granting appropriate recognition to those St. Thomas University arts graduates who did not follow the regular Honours program but who, subsequent to graduation, have completed all requirements for the Honours program. Students who have had the Bachelor of Arts degree conferred upon them are not eligible to receive a second arts degree.

This credential recognizes that the student has completed all of the current requirements for the Honours program in the appropriate subject. Students who earned a first undergraduate degree from another university are not eligible for this certificate of Honours standing. These students may enroll as upgrading or non-degree students on a full-time or part-time basis.

In addition to the basic requirements for a Bachelor of Arts degree listed in Section One: Part A, candidates for the certificate of Honours standing must meet specific requirements regarding entrance to the program, the Honours subject or interdisciplinary subject area, the Minor subject (optional), the prescribed curriculum, and the minimum grade point average. These requirements, as well as the procedures for opting out of Honours, are described below.

a. Entrance to Honours program

Honours is reserved for students who are performing at a high level in their Bachelor of Arts program. Individual departments, with senate approval, may require a specific level of performance in designated courses as a prerequisite to Honours.

To enter the Honours program, a student must receive the approval of the appropriate Department and notify the Registrar's Office. Normally, students enter the Honours program at the beginning of their third year.

b. Honours Subject

A minimum of 48 credit hours in one subject will normally comprise an Honours specialization. Candidates will include a minimum of 12 credit hours exclusively designed for Honours students and others capable of independent work at a high level. Usually these courses will be of the seminar type. In most departments, one course is an Honours thesis. Currently, the University offers Honours programs in the following subject areas:
